

PERFORMANCE SELF-REVIEW

Date _____

Name _____

Grade _____ School _____

Teacher _____

Describe the responsibilities that you had as part of your mission team.

What problems did you encounter in meeting your objectives during the mission?

What would you do differently if you had the job to do again?

From your observations, what other mission work team was of interest to you ... and why?

Are you more interested in pursuing a science career because of your work during the mission?
